Q: WHY is a Kitchen and Bathroom Designer important?

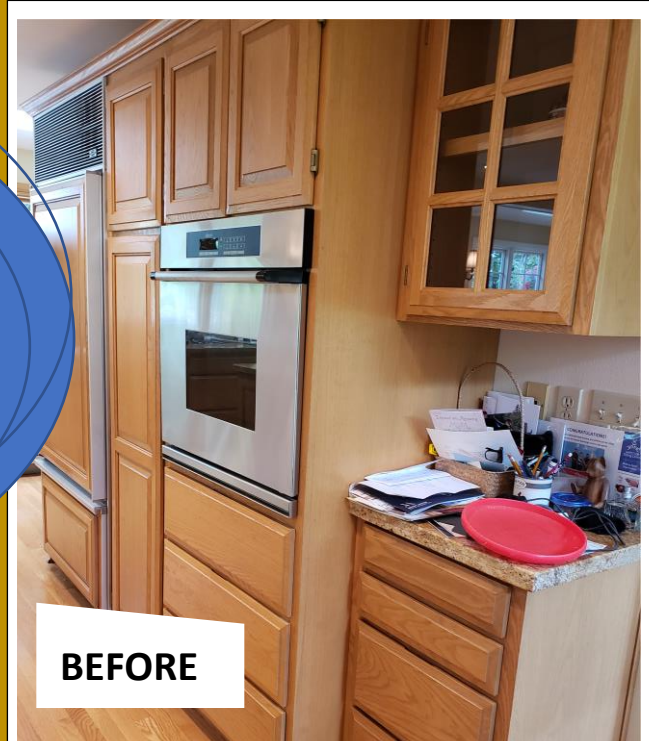

A: Working with a professional provides enormous value. A designer who is creative, solutions-oriented, trained and experienced in this field will help guide you through a great product.

What's OUT in KITCHENS TODAY?

HANGING POT RACKS

They've hung around long enough! The trend today is towards, clean, sleek lines, not a cluttered look.

Pan drawers or pullouts store pots nicely!
