After Remodel

Practical redesign in this kitchen makes sense for this family of six. The oversized island can serve many purposes, including food preparation, storage, dining and entertaining. Seating here is great for how this family lives.

Before Remodel

GUESTS are going to love this space!

Special features include:

- Doorless, curb free, walk-in shower
- Full body rain showerhead
- Handheld showerhead
- Infinity shower drain (seamless look)
- Soap niche for storing products
- Diffused window lets natural light in
- Quartz countertop and backsplash
- Water-resistant wallpaper feature wall adds a pop of color

RIFT CUT WHITE OAK cabinets are celebrated for their straight, uniform appearance due to the direction of cut from the tree. It's a light, neutral color and dimensionally superior to other cuts. This wood is versatile and can easily morph into a variety of different design styles well.
